

FOR STAFFING & RECRUITING

# The best candidate goes to whoever **signs** first.

**Employment contracts signed in minutes — hosted in Switzerland, under your brand.**

Employment, framework and assignment contracts, NDAs and onboarding — to candidates and clients in minutes, not days, legally binding and under your brand.

THE PROBLEM — AND HOW WE SOLVE IT

✗ **The reality today**

- ✗ **Contracts take days — candidates drop out**  
Print, email, chase. Move slowly and you lose the candidate to a competitor.
- ✗ **DocuSign is expensive — and US-hosted**  
Enterprise per-user pricing, and sensitive HR data sits outside Switzerland and the EU.
- ✗ **Someone else's brand at onboarding**  
Candidates sign in a US tool — not in your agency.
- ✗ **No court-proof record**  
For temp staffing and assignment contracts, the complete audit trail is often missing.

✓ **With letssign.now**

- ✓ **Signed in minutes**  
Candidates sign on mobile — the acceptance is in before a competitor even calls.
- ✓ **Hosted in Zürich — ZertES & eIDAS**  
Sensitive HR data stays in CH/EU. SES + AES, PAdES-sealed — around 90% cheaper than DocuSign.
- ✓ **Your brand — signing page & email**  
Candidates sign on YOURAGENCY.letssign.now — your logo on the signing page and in every email.
- ✓ **Court-proof audit trail**  
Every assignment and framework contract with timestamp and certificate — fully documented.
